Currency:

Section 4: Additional information

All PEFCCoC certification requires conformance to Chain of Custody Standard PEFC ST 2002:2020 and PEFC Trademark Standard PEFC ST 2001:2020. Additional PEFC chain of custody requirements may also be available to/required by your company, depending upon the inputs you will use for your PEFC program.

1. Will the organization use controlled material as an input in certified products?

Yes

No

2. Will the company use recycled material as an input in certified products?

Yes

No

Additional sites to be included in scope of certification

Each participating site that will be a part of the CoC process for your organization (e.g. sites that physically handle certified material; sites that purchase and /or sell certified material) must be included on the certificate.

Will the scope of your certificate cover more than one site? Yes No

If so, please list the participating site(s)

|

Outsourcing activities (PEFC applicants only)

For the purpose of PEFC certification, outsourcing is defined as the practice of contracting a business service to a third-party organization where that organization takes physical possession of your certified products (e.g. warehousing, kiln drying, converting, laminating) without taking legal ownership of the material.

Will the scope of your PEFC certificate include any outsourcers who will handle, store, or process any of your certified material?

Yes

No
